

REMARKS

Claims 97-107, 109-113 have been withdrawn as drawn to constructively non-elected claims. Claims 53-96 remain pending. Applicant thanks the Examiner for indicating that pending Claims 53-96 are allowed.

This amendment is solely to withdraw the claims which the Examiner unilaterally determined that the Applicant constructively elected. Nothing has been added to the allowed claims. Applicant respectfully requests that this amendment after allowance, required by the Examiner, be entered pursuant to 37 CFR §1.312 (Ex Parte Quayle) as strictly directed to a matter of formality, and that, as all the claims still pending have been indicated as allowed, a formal Notice of Allowance and Issue Fees Due be issued.

No fees, in addition to those noted on the accompanying transmittal documents, are believed to be due in connection with this Amendment. If, however, any additional fee is believed to be due, you are hereby authorized to charge any such fee to Hewlett-Packard Company's deposit account No. 08-2025.

Respectfully submitted,

By:
